Public Housing Agency Plan Revision Number 1
Section B.2, New Activities
Kenner Housing Authority
Fiscal Year Beginning July 1, 2016

Section B.2, New Activities

Mixed Finance Modernization or Development

In October 2014, the KHA hired a Real Estate Development Firm to assist the KHA with addressing the rehabilitation needs of the agency and/or with constructing new affordable housing units.

Glenwood Apartments. The KHA planned to submit a 9% Low Income Housing Tax Credit (LIHTC) application to the State of Louisiana Housing Corporation during the 2016 funding round, if available, on Glenwood Apartments, a 58 unit multi-family development. In late 2015, the KHA submitted a Low Income Housing Tax Credit application for the 2016 funding round. On April 7, 2016, the Kenner Housing Authority received notification from the Louisiana Housing Corporation that the Kenner Housing Authority was awarded a Low Income Housing Tax Credit (LIHTC) Project Number 2016-018 in the amount of \$515,000 for the renovation of Glenwood Apartments (58 unit), a multi-family property located at 1013 31st Street, Kenner, Louisiana 70065.

To facilitate the financing of the renovation of the Glenwood Apartments housing development, the Kenner Housing Authority anticipates submitting a request for disposition approval to the U.S. Department of Housing and Urban Development. The request will be to dispose of the site and structures through a long-term ground lease to facilitate the financing of proposed renovations through the use of low-income housing tax credits.

Preliminary plans call for major rehabilitation of the existing apartment complex (site work, utilities, and with construction of a small community building). There will be ACC, LIHTC, units and/or project based voucher units.

Low Income Housing Tax Credit Application. The KHA will pursue a 9% or 4% Low Income Housing Tax Credit application from the Louisiana Housing Corporation during the next round for the renovation of some or all of the remaining public housing units under the KHA portfolio.

Demolition and/or Disposition

The KHA will submit a demolition application for the demolition of the Administrative Office/Community Building/Maintenance Area. The KHA intends on demolishing the old administrative office, community building, and maintenance building located at 1013 31st Street, Kenner, Louisiana. The building has been deemed inoperable for the needs of the HA. There are major structural and system problems identified in the building.

The KHA will build a new administrative office building on the site at 1013 31st Street, Kenner, Louisiana 70065 and the Kenner Housing Authority will build a small Maintenance Building on the property adjacent to the new Administrative Office Building.

To facilitate the financing of the renovation or the Glenwood Apartments housing development, the Kenner Housing Authority anticipates submitting a request for disposition approval to the U. S. Department of Housing and Urban Development. The request will be to dispose of the site and structures through a long-term ground lease to facilitate the financing of proposed renovations through the use of low-income housing tax credits.

Project-Based Vouchers

The KHA planned to submit a 9% Low Income Housing Tax Credit (LIHTC) application to the State of Louisiana, Louisiana Housing Corporation during the 2016 funding round, if available, on Glenwood Apartments, a 58 unit multi-family development. In late 2015, the KHA submitted a Low Income Housing Tax Credit application for the 2016 funding round. On April 7, 2016, the Kenner Housing Authority received notification from the Louisiana Housing Corporation that the Kenner Housing Authority was awarded a Low Income Housing Tax Credit (LIHTC) Project Number 2016-018 in the amount of \$515,000 for the renovation of Glenwood Apartments (58 unit), a multi-family property located at 1013 31st Street, Kenner, Louisiana 70065. Preliminary plans call for major rehabilitation of the existing apartment complex (site work, utilities, and with the construction of a small community building). There will be ACC, LIHTC units, and/or project based voucher units. The KHA will amend its Administrative Plan to establish the process for issuing Project Based Vouchers for this project.
